COVID-19 MEASURES in MEMBER STATES

As at 4th September 2020 / 20th Edition
This publication comprises a listing of measures that COMESA Member States have put in place to contain the spread of the Corona virus. They cover trade facilitation and support to businesses, protection of the vulnerable from the impact of the spread of the virus and other relevant measures. It also includes the support received from the international community Aid agencies. A trendline on the number of cases reported has also been included as well as the contacts of the focal points in the Ministries that coordinate COMESA activities in Member States.

This document is updated on a regular basis to take into account the new measures that governments are putting in place in response to the changing circumstances.

The data and information are drawn from monitoring press briefings of the national COVID-19 response taskforces and other open sources.

MEASURES IN PLACE IN MEMBER STATES

Burundi

Background
The first case of COVID-19 was reported on 31 March 2020

Preventive Measures in Place

• Suspension of passenger flights in and out of Burundi commenced 22nd March 2020.
• All borders were closed except for cargo. Travelers are advised that if they plan to cross the border from Rwanda into Burundi, they may be denied entry
• Mandatory quarantine for 14 days for those exposed or suspected of having the virus.
• As from 7th July 2020, mass testing campaign was launched in Bujumbura. Other measures put in place include:
  • reduction on the price of soap and water to enhance and ensure accessibility,
  • provision of masks to the citizens,
  • health personnel equipped with protective masks,
  • hygiene to be maintained in public transport vehicles and passengers to wear masks.
• Limited access to hotel premises.
• Sensitization and awareness campaigns have been created through TV and Radio.
• Installation of hand sanitizers and water for hand washing in public places.
• The authorities have asked hospitals to make beds available for potential cases (20 for each national hospital and 5 for each local hospital).

Trade Facilitation / Business Support

• From the new COVID 19 government measures, all borders are now open for cargo movement. Cargo flights are still operating.

Preventive Measures in Place

- On 28th March 2020, the Djibouti Government set up an Inter-Ministerial Committee chaired by the Prime Minister and subcommittees established as well to observe the COVID-19 situation and impact and conduct necessary responses.
- A nation-wide lockdown has been in place since March 23rd 2020, except for essential services.
- Djibouti-Ambouli International Airport opened for commercial flights beginning 17th July 2020. All passengers entering Djibouti are tested for COVID-19 upon arrival by Ministry of Health personnel. Sea ports and border posts are open to receive outsiders. Upon arrival at Ambouli International Airport, travelers identified with the virus either go into isolation and treatment or depart Djibouti on the next flight without leaving the airport.
- On 16th July 2020, the Ministry of Health issued a circular note on the reopening of borders, specifying the health protocols for passengers. Travelers coming to Djibouti by air/sea/land must be screened for COVID-19 upon arrival at ports of entry. In addition, travelers coming to Djibouti must be equipped with protective masks at the time of departure or arrival at the points of entry, respect the physical distance of one meter, if possible, at all stages of the journey and carry a hydro-alcoholic gel throughout the trip.
- Airlines may require passengers heading to Djibouti to show a negative COVID-19 test certificate before allowing them to board their flight.
- Gatherings of more than ten people not allowed.
- Use of facial masks in all public or private spaces in which social distancing cannot be observed is mandatory.
- Public and private construction activities allowed to operate.
- Traffic has been restricted to the minimum and is only allowed with administrative authorization.
- Hotels resumed normal operations on 30th June 2020.
- Restaurants and cafes reopened on 16th June 2020 with social distancing and hygiene measures in place;
- Conference rooms, event halls, and cinemas are closed until 1st September 2020;
- Grocery stores and retail outlets reopened on 10th July 2020.
Preventive Measures in Place

- Leisure and amusement sites as well as hotels have reopened.
- Closure of educational institutions, sports events and bars. Schools to remain closed until 2nd September 2020 – the start of the next school year;
- Places of worship reopened on 10th July 2020 but must follow very strict measures of ensuring protection including wearing of facial masks and social distancing.
- Quarantine sites to be established for infected persons and contact tracing procedures put in place.
- The World Bank provided Djibouti with US$5 million credit towards efforts to prevent, detect, and respond to the rapid spread of COVID-19.
- The World Health Organization delivered protective equipment to the Ministry of Health including goggles, surgical gowns, gloves, face masks and hand sprayers. WHO has also ordered 500 test machines and 80 respirators for COVID-19 preparedness in the country.

Trade Facilitation / Business Support

- On 24th July 2020, the African Development Bank approved grants worth approximately US$41.16 million to Djibouti to bolster the national budget in support of Government’s efforts to mitigate national and regional impacts of the COVID-19 pandemic. The funding will enable the Government to support response programs to enhance health systems, safeguard livelihoods and provide social protection; and defend labour force productivity and economic activity.
- Cargo movement of goods and services permitted.
- Only commercial traffic to/from Ethiopia allowed through Galafi border. At Galafi, a health checkpoint has been set up to screen people for Covid-19.
- Port communities have raised awareness among Ethiopian drivers on compliance with barrier measures and brochures in Amharic language were produced and disseminated to the latter.
- The Djibouti Port and Corridor has continued to still be operational. With an alerting protocol being implemented by the port communities in case of any new COVID-19 cases being detected.
- Slight truck shortage experienced due to spike in demand and drivers’ fear of COVID-19.
- Djibouti Ports and Free Zones Authority (DPFZA) introduced online payment gateway facility for the port community in order to limit physical visits to ports and free-zones premises and decrease online documentation completion time, enable savings on transportation while respecting government measures to contain the spread of the pandemic.
- Djibouti made 82.5% reduction in port tariffs and granted Free Terminal Handling Charges for 60 days, from Thursday, April 16th, 2020 for Ethiopia export cargo to the world through the Djibouti Ports.

Preventive Measures in Place

- Official conferences and meetings allowed from 27th July 2020 at a maximum of 50 participants provided that the capacity of the hall in which the conference or meeting takes place is no less than 100 people.
- As from 1st September 2020 visitors into Egypt are required to present Polymerase Chain Reaction test results. The decision excludes Arab and foreign tourists arriving on direct flights to Sharm El-Sheikh, Taba, Hurghada, Marsa Alam and Marsa Matrouh airports, as well as transit passengers to those airports.
- Friday prayers to resume from 28th August 2020 under strict adherence to health and safety protocols.
- Major exhibitions will be allowed starting October 2020.
- Public parks and beaches to remain closed.
- Public transport resumed and operates between 4 a.m. and midnight.
- Restaurants and cafes have resumed operations with 25 per cent capacity and to close by 10:00 p.m. Other shops close by 9:00 p.m.
- Restriction of public gatherings in schools, universities, bars, clubs, malls, public transport, public gathering places and tourists’ locations.
- Theatres, cinemas, and museums have been reopened with limited capacity.
- Hotels allowed to re-open, provided they abide by strict hygiene measures stipulated by the government, at 25% occupancy rate in May and 50% occupancy rate in June. Re-opened hotels to mandatory acquire hygiene safety certificate from the Joint Inspection Commission of both the Ministries of Tourism and Health. By 18th July, 31 more hotels for tourists were opened raising the number of hotels reopened nationwide to 572.
- Preparation of medical sites nationwide in anticipation of the escalation of Covid-19 cases.
- The government has expanded the cash transfer programs known as Takaful and Karama (Solidarity and Dignity). In addition, the government has instituted new programs to provide cash transfers to irregular workers who are substantially affected by the crisis and distribute medical and sanitation kits to poor villages.
- Fiscal policy is being eased to support the economy and address crisis needs, including increases in health spending (26 percent) and social protection (10 percent).
Preventive Measures in Place

• From July, 2020 EgyptAir resumed flights to 24 destinations.
• Flights and tourism activities resumed in the following three governorates: Red Sea, Marsa Matrouh, and South Sinai.
• Mandatory quarantine for visitors who test positive for Coronavirus in a government isolation hospital.
• Adoption of an integrated plan which covers early detection, quarantine and treatment measures, as well as raising public awareness.
• Schools, universities and colleges and all sporting activities closed on 14th March 2020.
• All services provided by ministries and governorates to citizens, such as civil registry services, work permits, passports and renewal of traffic licenses, are all suspended.
• Securing food stuff and goods in preparation for the months ahead to continue on regular basis.
• Allocation 100 billion Egyptian pounds (6.35 billion U.S. dollars) to finance the anti-COVID-19 comprehensive plan and its precautionary measures.
• Increased number of metro coaches in operation
• Daily sterilization off all terminals, means of transport and roads.
• Public transport operators not to carry more than 50% of capacity of conveyance
• Decontamination of 7500 buildings including government administrative building and tourist facilities.
• In July 2020 the government introduced measures to partially offset the revenue shortfall such as promoting green recovery through a fee on the consumption of fuel products.
• The government has hastened structural reforms that began under the Extended Fund Facility. The reforms being undertaken include streamlining the financial operations of state-owned enterprises and economic authorities, strengthening competition by levelling the market to encourage SMEs and amendment of the customs law to improve Egypt’s investment climate.
• Limiting cash withdrawals and deposits to avoid overcrowding during payroll and pension disbursement. A daily limit of 10,000 Egyptian pounds (around 630 USD) for individuals and 50,000 (around 3180 USD) for businesses is applied.
• Launched an online awareness campaign against COVID using animation. This is also aimed at curbing misinformation.
• From May 30, people are required to wear face masks in public places, with violators fined 4,000 pounds ($250) by police
• Slight lifting of overnight curfew to start at 9pm instead of 8pm. Shopping malls that were originally ordered to close to remain open until 5pm
• The international Monetary Fund approved an additional loan of USD5.2 billion on 27th June 2020 to help Egypt ameliorate the economic impacts of COVID-19.
• The Central Bank of Egypt extended the tenor of all bank loans to businesses for six months and provides debt relief for individuals.
Trade Facilitation / Business Support

- The National Bank of Egypt announced a one-year savings deposit program with a 15% interest rate.
- The Financial Regulatory Authority has announced an extension to 15 June for EGX listed companies to submit their financial statements for Q4 2019 (original deadline 30 April).
- The exemption from the taxation of capital gains on securities listed on the Egyptian stock exchange (EGX) for Egyptian residents will be extended to 1 January 2022 (originally due to expire 17 May 2020).
- The exemption from the taxation of capital gains on securities listed on the Egyptian stock exchange (EGX) for non-residents will be made permanent.
- Withholding tax on dividends paid by companies listed on the EGX reduced from 10% to 5%.
- From 25 March 2020, the Egyptian Ministry of Trade and Industry (the Foreign Trade Sector) put the following measures in place (i) documents, such as commercial invoices, would be accepted without being accredited by the Chambers of Commerce (this usually being a requirement) and (ii) certificates of origin would be accepted without authorization from the Egyptian Embassy abroad.
- Stamp duty on transactions on the Egyptian stock exchange (EGX) will be reduced from 0.15% to 0.125% for non-residents.
- Three-month extension for the payment of property taxes for companies in the industrial and tourism sector.
- The grant of an “immediate” financing for the import of key commodities.
- Trade between Egypt and Saudi Arabia to be done through trailers only without trucker by using RORO ships.
- General Authority for Investment and Free Zones (GAFI) currently permits local companies to hold their meetings virtually via conference and/or video calls.
- The EGX developed electronic trading support systems allowing remote access to several platforms, including customer coding, electronic membership system, financial solvency, and OMNI accounts.
- Allocation of USD 6.35 billion to raise wages and pension
- Provide 3-month tax relief for Real Estate taxes for tourism and industrial sectors;
- A USD 2.7 billion loan was requested and granted by the IMF, as an emergency support;
- Write-off EGP 17 billion from 226 distressed firms
- Starting 1st July 2020 scheduled international flights and foreign tourists allowed to travel to resorts that have been least affected by the coronavirus.

Preventive Measures in Place

- On 8th April 2020, the Prime Minister declared a State of Emergency for 5 months under Article 93 of the constitution, which allows it to impose more stringent measures.
- On 2nd August 2020 the Government officially launched a nation-wide one-month-long testing campaign, which will determine the next steps to be undertaken by the Government in the New Year which will start on 11th September 2020.
- Closing of all schools including institutions of higher learning and banning of public gatherings including sporting events was instituted from 16th March 2020.
- Release of over 4,000 prisoners to prevent overcrowding in prisons and contain the spread of the coronavirus.
- Postponement of elections from 29th August 2020 to a new date to be determined.
- The mandatory 14-day quarantine of arrivals from abroad has been shortened to as few days as three. In addition, passengers from abroad who hold COVID-19 negative certificates are mandated to isolate themselves for only three days after giving samples and stay for 14 days at home before joining their communities.
- Closure of all-night clubs and places of entertainment effective 20th March until further notice.
- Wearing of face masks is mandatory when visiting ‘service providing’ places such as shops and everyone must stand at least two strides apart.
- Government employees ordered to work from home.
- Sporting activities at all levels are prohibited.
- Greetings by handshake are banned.
- As of 1st April, suspension of mass gatherings in places of worship including mosques and churches.
- House to house screening and diagnostic testing conducted.
- COVID-19 Response Fund established for resource mobilization. Comprises both private and public institutions. Contributions are both financial and non-financial and include buildings, hotels, vehicles, sanitary items, masks, etc.
Trade Facilitation / Business Support

- Extra funding for healthcare facilities
- Removal of the restriction on floor price for flower exports that was previously set by the National Bank of Ethiopia
- National Bank of Ethiopia has availed 15-billion-birr (About USD 450 million) liquidity for private banks to enable them to provide debt relief and additional loans to their customers in need and especially the businesses adversely affected by COVID-19
- Clamping down price gouging by retailers to protect low income households
- Emergency support of $82.8M from the World Bank to mitigate the economic impact of COVID-19
- Ethiopia has relaxed rules for mobile banking and money transfers, opening the market to all local businesses to encourage people to go cashless to control the spread of coronavirus
- Commercial banks ordered to give priority to importers that import goods to combat COVID-19 like ventilators, sanitary goods and medical equipment, including testing kits, when providing forex.
- Ministerial level macro-economic management sub-committee has been set up
- Waived all duties and taxes on all medical supplies and equipment imported to fight COVID-19
- Border closure in effect but no restrictions on cargo movements from Djibouti to Ethiopia. Custom offices operating on both sides. However, shortage of trucks to Djibouti due to spike in demand
- Customs and Revenue authorities are facilitating continuity of business by implementing e-documents and e-payments and pre-arrival clearance procedures and exempting some required documents such as certificate of origin.

- Minimized congestion in public transport and limiting visitors to hospitalized patients in both public and private hospitals.
- Public transport including all matatus, hospitals and shopping malls are encouraged to provide soap, water and hand sanitizers and ensure that all their vehicles and premises are regularly cleaned and disinfected.
- Government registries and the courts closed except for the handling of emergency matters.
- Government offices, businesses and companies encouraged to allow employees to work from home except for those working in critical or essential services.
- Kenya Medical Research Institute develops a local testing kit.
- Resumption of domestic air travel from 15th July and international flights to resumed on 1st August 2020.
- Mandatory PCR-Covid-19-Free certificate for all international arrivals valid for 96 hours prior.
- Mass production of sanitizers, masks and ventilators by private sector in Kenya.
- Temperature readings for truck crews to be taken at entry points and at designated weighbridges which are: Namanga; Busia, Gilgil, Mariakani; Malaba and Taveta.

Kenya

Background

The first case was reported on 13 March 2020.

Cumulative confirmed COVID-19 cases

The number of confirmed cases is lower than the number of actual cases; the main reason for that is limited testing.

Source: European CDC – Situation Update Worldwide – Last updated 4 September, 10:04 (London time) CC BY
**Preventive Measures in Place**

- Truck occupants must keep temperature/readings/health forms until they exit Kenya unless they are Kenyan residents; stringent screening of the trucks; limited numbers of crew and passengers, and any truck crew member who exhibits symptoms occupants subject to a 14 days quarantine.
- Cashless transactions encouraged and facilitated to limit contact.
- Stringent medical screening at all border points. Only drivers, loader plus the clearing agent are allowed across the border.
- A 100-percent tax relief for low-income-earning persons up to KES24,000
- Reduced the top Pay-As-You-Earn (PAYE) rate from 30 percent to 25 percent.
- Appropriation of KES 10 billion through cash transfers to the vulnerable members of society.
- Temporary suspension of listing with Credit Reference Bureau for persons who default on their loan obligations with effect from 1 April 2020.
- Disbursement of KES 1 billion for the recruitment of additional medical personnel.
- The government committed to pay the bills for all those in isolation centres thus encouraging testing.

**Trade Facilitation / Business Support**

- Cashless transactions such as mobile money and credit cards are encouraged.
- The reduction of the standard VAT rate from 16 percent to 14 percent (effective 1 April 2020).
- A reduction of the resident corporate income tax from 30 percent to 25 percent.
- 24-hour Call Centre and information portal set up and manned by Kenya Private Sector Association (KEPSA)
- Lowering of Central Bank Rate (CBR) to 7.2%
- Lowering of Cash Reserve Ration (CRR) to 4.2%
- Central Bank of Kenya to offer flexibility to banks on loans that were active as of March 2020 to maintain liquidity levels
- Assessment and restructuring loans taken by corporate borrowers (and SMEs) based on their respective circumstances arising from the pandemic.
- Cargo movement allowed to continue however spike in transport requirements has led to a strained supply of trucks.
- Mandatory requirement for all returning cargo crew to self-isolate for a period of 14 days straining cargo operations.
- Office hours for Customs Offices changed to 9.00 – 3.00pm at a 50% reduced staffing. There is also reduced access to Customs officers and other officials.
- Kenya Ports Authority has reduced workforce to two shifts.
- KPA enabled online document submission systems to reduce human contact at Mombasa Port
- Mandatory pre-arrival report of ships
- Allocated of USD 100 Million to fast-track payment of outstanding VAT refunds and other pending payments to SMEs. USD 30 million as seed capital for SME Credit Guarantee Scheme.
- Allocation of USD 20 Million soft loans to hotels and related establishments.
- Allocation of USD 15 Million to assist flower and horticultural producers to access international market.
- Enforcement of “Buy Kenya, Build Kenya” policy.
- Allocated of USD 6 Million to purchase locally manufactured vehicles.
- Trade related essential services providers, Customs, Immigration, and Port Health officials are exempted from the provisions of curfew and required to work 24 hours.

Preventive Measures in Place

- Flights resumed at the Mitiga Airport in the Libyan capital Tripoli on 9th August 2020.
- On 26th August 2020 Libya’s Tripoli-based government announced a 24-hour curfew to halt the spread of the novel coronavirus. The curfew however exempts people who need to go out for essential food or medicine at nearby shops.
- By 8th August 2020 the European Union mobilized €20 million (LYD 33 million) to assist Libya in responding to the COVID-19 pandemic. The funds will contribute to improve national detection and surveillance mechanisms in the fight against the spread of the coronavirus, boost preventive measures and support Libya’s national health system.
- Prayers in mosques have been cancelled, schools and universities have been closed for two weeks and public gatherings limited.
- Reopening of restaurants and cafés from 7th July 2020 on under strict conditions.
- A primary healthcare centre in the Gergaresh neighbourhood of Tripoli – serving a catchment area of at least 30,000 people, including high concentrations of refugees and migrants from sub-Saharan Africa - has re-opened as from 15th July 2020 to deal with the rising numbers of COVID-19 cases.
- Large public gatherings have been banned.
- In the East, in areas controlled by the Libyan National Army (LNA), the curfew remains 6 p.m. to 6 a.m.
- A special committee has been formed including with the ministries of interior, finance and health to develop a policy and procedures for repatriating Libyans from abroad.
- The Supreme Committee for combating COVID-19 closed all vegetable and meat markets, but bakeries and some shops remain open to meet people’s needs.
- Points of Entry (PoEs) to screen travelers arriving from affected areas have been established at three airports (Mitiga, Misrata and Benina), four seaports and land border entry points at Ras Ijdier, Wazen and Msaed.
- Testing is being undertaken for truck drivers who are travelling over the Tunisian/Libyan border with drivers required stay for 14 days in Zwara for quarantine.
- Authorities in both the West and East parts of the country have started to repatriate Libyan citizens stranded overseas (those wishing to return are in Egypt, Tunisia and Turkey).
- Returning citizens are tested and allowed to quarantine at home for 14 days.
Trade Facilitation / Business Support

- Cargo transportation exempted from ban
- No penalties will apply to the late filing of corporate income tax, personal income tax and stamp duty returns.
- Customs and Revenue authorities are facilitating continuity of business by implementing e-documents and e-payments and pre-arrival clearance procedures and exempting some required documents such as certificate of origin.
- Joint mechanism on export of goods between Libya and Tunisia through the border of Ras Ajbir established on 22nd April 2020.

Madagascar

Background
The first case reported on 20 March 2020.

Preventive Measures in Place

- Suspension of all international flights effective 20th March 2020. Only Air France and Turkish Airlines serve Madagascar via their weekly cargo flights.
- Cruise ships not allowed in any port.
- Extension of the State of Health Emergency for another 15 additional days effective 25th July 2020, and maintained a full containment on the capital Antananarivo declared on 5th July 2020, and partial containment in the districts of Moramanga, Fenerive Est, and Toamasina I and II following a spike in the number of COVID-19 infections countrywide.
- On 26th July 2020 the Government launched an additional new coronavirus treatment center in the capital Antananarivo that can accommodate 250 COVID-19 patients with severe symptoms amid rising cases of COVID 19 in the country.
- Entry and exit restrictions are heightened in the regions of Analamanga, Atsinanana, Haute Matsiatra, and Alaotra Mangoro, which are COVID-19 clusters.
- Gatherings of more than 50 people prohibited. A night curfew of 2200-0400 is in place in Analamanga region.
- All land, sea, and air borders remain closed. Cargo and humanitarian flights are permitted to operate.
- Mandatory wearing of face masks in public
- Public markets to open for only three days a week subject to strict SOPs
- 14-day quarantine mandatory for individuals who have had possible exposure to COVID-19; travel limited to essential services and work
- All entertainment venues closed, and all sporting events suspended.
Trade Facilitation / Business Support

- Cash-transfers and in-kind necessities to the poorest and those unemployed.
- Gradual relaxation of lockdown allowing movement and public transportation from 0600-1300 hours.
- Price controls introduced by Government to regulate the prices of essential services and to prevent businessmen from taking advantage of the situation to hike prices.
- Ports are operational while respecting governmental procedures.
- Customs offices Tamatave and Antananarivo will ensure maximum service with minimum contact. However, humanitarian aid, pharmaceuticals and basic necessities will be given priority.
- Temporary suspension of all exports of drugs and other health products.

Malawi

Background
The first case reported on 2nd April 2020

Trade Facilitation / Business Support

- Opening of airports for international flights effective 1st September 2020. All arrivals will be required to produce COVID-19 negative test results based on tests conducted within 10 days prior to arrival.
- The Malawi Government has effective on 14th August eased COVID-19 rules on public gatherings by allowing up to 100 people to gather, unlike only 10 people as earlier announced on 9th August 2020.
- Phased opening of schools starting with examination classes on 7th September 2020 but with strict adherence to health guidelines. Schools were closed on 20th March 2020.
- Closure of all colleges and universities from 20th March 2020 until further communication.
- As from 9th August 2020 mandatory wearing of face masks in all public spaces declared failure of which can result in a fine of 10,000 Malawian Kwacha (USD 13).
- As from 9th August 2020, public gatherings of greater than 10 people are prohibited with the exception of funerals which can have up to 50 people in attendance.
- Places of worship, restaurants and bars closed with only take-away sales being permitted for drinking establishments beginning 9th August 2020.
- As from 9th August 2020, entry to Malawi is prohibited except for Malawian nationals and foreign nationals with valid residency visas. If eligible to enter the country, passengers will be tested for COVID-19 on arrival and will have to remain at the airport or a testing center until the test results are known.
- Beginning 9th August 2020, all markets, shops and businesses that are in close proximity to hospitals ordered to close.
- Introduction on 1st August 2020 of the Zikomo Presidential Award as a token of thanks to the most dedicated health care workers in the fight against COVID-19.
- Flights carrying medical professionals, essential health equipment and emergency relief items are exempted. Additionally, authorities have suspended the issuance of visas. Flights carrying returning Malawi citizens and or cargo are handled on a case by case basis.
- Recruitment of 2000 health workers to support the fight against COVID-19
- Mandatory 14 days quarantine for all travelers from COVID-19 affected countries
- Opening of institutional isolation and treatment centers in the cities of Blantyre, Lilongwe and Mzuzu
Trade Facilitation / Business Support

- Reduction of fuel prices to lower the transport costs
- Application of tax waivers on the importation of essential goods for Corona Virus management
- Reserve Bank of Malawi to allow banks to offer a three-month moratorium on interest payments on loans to small- and medium-sized businesses
- The country’s Competition and Fair-Trading Commission to put in place strict monitoring of price controls and punish anyone found increasing prices
- The government to increase loans under the Malawi Enterprise Development Fund that will help micro, small and medium scale businesses that have been seriously affected by COVID-19
- Tobacco markets to remain open and allowed to operate without disruption to protect small farmers and bolster foreign currency receipts.

Preventive Measures in Place

- The Kigali City Market re-opened on 3rd September 2020 following a thorough inspection by a coronavirus taskforce. The market was shut down for two weeks on 17th August 2020 after recording multiple cases of Covid-19. However, the Nyabugogo market also known as Kwa Mutangana, which was closed at the same time as the Kigali City Market, will remain closed following the spike in Covid-19 infections.
- Public transport between Kigali City and the rest of the country is prohibited as from 27th August 2020. Other prohibitions are that private transport between Kigali and other districts (except for Rusizi District) will continue while movements between Rusizi district and other districts are prohibited.
- From 1st September 2020, all public hospitals to start COVID-19 tests in a move to boost capacity and will apply the Polymerase Chain Reaction (PCR) technology.
- Curfew reviewed as from 26th August 2020 and it will start from 7:00 p.m. to 5 a.m. The earlier curfew had been set at 9:00 p.m. to 5:00 a.m.
- As from 26th August 2020, the number of people working in public institutions at any given time should be reduced to 30% from 50% and will be required to work in shifts.
- Beginning 26th August 2020 employees working in the private sector including markets to continue observing the 50% quota of employees at any given time.
- As from 14th August 2020 new arrivals to Rwanda must present a negative COVID-19 tests certificate done within 5 days of departure from their point of origin. Initially, international travelers were required to have the tests done within 3 days (72 hours).
- Government established an online platform for people in need of essential services including visiting hospitals, attending to emergencies, shopping etc. to apply for clearance of movement.
- Mass testing of taxi moto operators carried out beginning 21st June 2020. It was also made mandatory that all taxi moto operators remove the helmet screens for passengers and use a hand sanitizer to clean the helmets. The passengers were further directed to wear a cloth to cover their heads before using the helmet.
- On 25th June six villages of Kigali City put under a 15-day total Covid-19 lockdown in a bid to prevent the spread of the virus to other areas. The six villages are Nyarugenge and Kicukiro districts and are Kamabuye, Zuba, Nyenyeri, Rugano, Kadobogo and Gisenga.
Preventive Measures in Place

- From 22nd July 2020 three more villages in Kigali City which are Tetero, Indamutsa, and Intiganda which are all in Tetero Sector put on lockdown.
- Citizens or foreigners returning to the country are subject to a 7-day mandatory quarantine at designated locations at their own cost.
- Commercial flights to and from the country were allowed to operate as from 1st August 2020. Rwandair resumed international flights on 1st August 2020 starting with Africa routes. Health measures put in place to safeguard the health of passengers, crew, and airport staff as provided by Ministry of Health and ICAO.
- Places of worship resumed services from 16th July 2020 with approval by local authorities.
- From 15th July 2020 six administrative cells in Nyamagabe District (in Southern Province) and Nyamasheke District (in Western Province) placed in a 15-day COVID-19 lockdown after increases cases being recorded. The cells are Kigeme and Ruhunga (Nyamagabe District) and Mubuga, Gitwa, part of Kivu-Butare road, and Jarama.
- Beginning 1st August 2020 self-check in kiosks, thermal cameras, screening robots, and hand sanitizer dispensers have been put in place at Kigali International Airport as part of health measures.
- All visitors travelling to Rwanda by charter flights must test negative for COVID-19 within 72 hours prior to arrival; a second test will be taken prior to visiting any tourist attraction.
- Domestic and international visitors travelling for tourism by charter flights allowed in the country as from 17th June 2020.
- Domestic tourists visiting Volcanoes National Park and Nyungwe National Park must test negative for COVID-19 within 48 hours prior to visiting the parks.
- All passengers arriving in Rwanda by commercial flights including those in transit required to show proof of a COVID-19 Polymerise Chain Reaction (PCR) negative test from a certified laboratory taken within 72 hours of arriving in Rwanda. A second PCR test to be conducted upon arrival – with results delivered after 24 hours.
- Apart from the national Kigali National Reference Laboratory, other satellite testing labs set up in COVID-19 hotspots areas of the country which include the districts of Kirehe, Rubavu, Rwamagana, Nyagatare, and Rusizi, This is to hasten the process of generating results for patients to ensure timely interventions.
- Hotels to operate and offer tourism and conference services but must adhere to the provided health guidelines.
- Religious wedding ceremonies allowed to take place but should not exceed 30 people.
- Educational institutions (schools and colleges), and bars remain closed since March 2020.
- Restaurants and cafes allowed to operate until 7:00 p.m.
- Social distancing to be observed in public places.
- Wearing of face masks is mandatory in public places and multi-family settings.
- All borders closed except for goods and cargo services.
- Internal travel between districts and cities not authorized except for medical reasons or essential services.
- Markets to operate at 50% capacity with prevention and rotation measures in place.
- Deployment of five high-tech robots from 20th May 2020 to limit the risk of healthcare
Preventive Measures in Place

- As from 22nd July 2020 all staff of national parks, airports, and hotels near tourist sites to be tested every two weeks for COVID-19 as the country prepares to start receiving international flights beginning 1st August 2020.
- Citizens urged to use mobile money and online banking whenever possible to limit the transfer of paper money and minimize person to person contacts.
- The World Bank on April 7th, 2020 approved a USD 14.3 million (RWF 13.65 billion) International Development Association (IDA) credit as emergency response towards efforts to contain COVID-19.
- New Guidelines for the Mining sector issued on 5th June 2020 and included: mining operators and quarry owners to provide relevant personal protective equipment (PPEs) to all workers, and miners to put in place contact tracing programmes.
- On 4th June 2020 both Kamembe Town in Rusizi District put under total lockdown for two weeks. Travel in and out of the district restricted.
- Public transport within the district of Rusizi is restricted and only cargo transporting vehicles either transiting or destined for the district would be allowed to continue operating.
- Beginning 1st July the Ministry of Health launched a random street testing survey in Kigali City to assess COVID-19 situation.

Trade Facilitation / Business Support

- Maximum utilization of non-intrusive cargo scanners for homogeneous goods.
- The whole clearance process for imports, exports and transit is conducted in the Rwanda Electronic Single Window (RESW) which minimizes to a great extent any human intervention.
- Authorized trucks carry not more than two people including the driver.
- All cargo and conveyors shall be offloaded and transshipped at the Customs point of entry (i.e. Rusumo and Kagitumba Customs Border Posts).
- Warehousing facilities available for loading, offloading and warehousing of cargo at the entry points;
- Inland Cargo depots shall be availed for effective loading and transshipment exercises at the Customs entry point;
- Clearing of goods to be done using the pre-clearance mechanisms currently in place i.e. SCT Clearance framework and payment of duties and taxes before the arrival of the goods quick release at the entry border posts;
- All declaration documents accompanying cargo must be submitted electronically to customs administration to avoid paper manipulation;
- Clearing agents must declare the full detailed description of goods to expedite the clearance and release of goods;
- Clients with perishable goods and consignments that require special warehousing facilities such as petroleum products shall be allowed to proceed to destination after change of crew members (truck drivers) in respect with the current health guidelines in places;
- Transit cargo to be escorted upon entry to the final destination and truck drivers to stop only at designated points.
- The Central Bank of Rwanda provided a Rwf50 billion ($54 million) facility and reduced the reserve requirement ratio for commercial banks from 5 per cent to 4 per cent to support the country's banking sector.
- The IMF emergency support under the Rapid Credit Facility in March 2020 provided Rwanda with a $109.4 million (Rwanda Francs 104 billion) for Covid-19-related pressures on trade, tourism and foreign exchange reserves. The support will also provide much-needed resources for health expenditure and for households and firms affected by the COVID-19 crisis.
- From 14th April 2020 Rwanda benefited from USD $11 million (RWF 10.5 billion) debt service relief from the International Monetary Fund for an initial period of 6 months.

- Entry screening will be done upon arrival starting with completion of the health check form, symptomatic check, temperature scanning. The passenger may be required to undergo a rapid antigen test.
- All passengers must provide proof of accommodation in an approved establishment for the entire period of stay and must show booking vouchers at Immigration on entry.
- Visitors not to change accommodation during their stay and must not interact with the community apart from those at their place of residence.
- In order to minimize interaction between groups of clients arriving on different dates client groups should be segregated within the Establishment. The Establishments will be visited prior to re-opening to verify that this can be done.
- For 14 days after arrival the client will be monitored daily by the designated Health and Safety officers or focal person.
- All clients to ensure strict hygiene measures and physical distancing are enforced.
- All staff to be monitored daily by the designated Health and Safety Officer or focal person and record kept.
- Any illness to be reported immediately to the nearest Health Facility who will provide appropriate guidance.
- All cost of screening and test will be borne by the passenger.
- Businesses to prepare their own standards of operation to ensure the guidelines are implemented.
- Tourism businesses to be issued with a Safe Tourism Certificate by the Government before they can reopen.
- The government announced measures to subsidize wages for companies facing distress caused by COVID-19

- On 20 March 2020, Government announced reduction of loan repayments for six months.
- Tax payments due in March postponed until September.
- The Central Bank of Seychelles (CBS) reduced the policy rate by 100 bps to 4 percent on March 23.
- Central Bank provided a credit facility of approximately US$36 million to assist commercial banks with emergency relief measures to assist businesses and individuals struggling with the financial impact of the pandemic.
- A limited credit provided to government by the Central Bank up to SCR 500 million (US$30 million). In addition, credit line facility worth SCR500 million ($28 million) set up for small businesses and accessible through commercial banks as well as Seychelles Credit Union and the Development Bank of Seychelles (DBS).
- Maturity of credit to commercial banks extended to 3 years.
Trade Facilitation / Business Support

• Measures aiming to Facilitate the Cross-border Movement of Relief and Essential Supplies include: Fast tracking the processing and release of urgent medical cargo and relief supplies through simplified procedures; Accepting scanned copy of preferential certificate of origin during the COVID 19 pandemic subject to the original copy being submitted once the crisis is over; Taking deposit for the release of consignment benefiting from preferential treatment but unsupported by preferential certificate of origin because of lock down from exporting countries.

• The Port is operational with Customs staff working to ensure that import and export procedures are completed in a timely manner with priority given to consignment directly related to the COVID 19 pandemic.

• Encouraging declarant to use pre-payment account and pre-lodgment (pre-arrival declaration)

• Part of the US$10 million and US$15 million loan secured an African Development Bank (AfDB) and the World Bank, respectively, to be used for macro-economic stabilization

• Central Bank of Seychelles cut Monetary Policy Rate (MPR) to 3% from 4% to promote economic stability.

• 37,409 private sector workers provided with wage grants as support to private sector.

COVID-19 Response Measures

Preventive Measures in Place

- All educational institutions both private and public closed and large gatherings prohibited. However, beginning 15<sup>th</sup> June, the Galmudug State Ministry of Education opened primary schools for Grade 8 students and exams to start on 11<sup>th</sup> July.
- As of 15<sup>th</sup> August 2020, schools and universities to re-open and must adhere to health measures.
- As of 1<sup>st</sup> August 2020, all immigration services to re-start at all entry points. Travelers arriving or departing by international commercial flights required to possess health certificates indicating that they have tested negative in the past 72 hours.
- As of 5<sup>th</sup> July 2020 mosques and religious centers resumed their services.
- Beginning 5<sup>th</sup> July 2020, UNICEF and other partners working with government for the provision of distance learning lessons through television, radio, and online platforms.
- Public meetings banned.
- A night curfew declared on 15th April 2020 for Mogadishu and to be observed between 7:00 and 5:00 a.m. The curfew prohibits opening of business premises and traffic. However, shops selling dry foods, hospitals, and pharmacies are exempted.
- Minibuses which usually carry 15 passengers will only be allowed to carry 10 in order to reduce congestion in public transport vehicles.
- Domestic flights which were suspended in April 2020 to resume services on 5<sup>th</sup> July 2020 with adherence to strict health guidelines.
- A quarantine unit established at Aden Adde International Airport (AAIA) in Mogadishu to isolate passengers who demonstrate symptoms of Coronavirus.
- Cancellation of all flights except medical equipment and foodstuffs flights
- Restriction on imported Khat to Somalia from our neighbouring countries (Kenya and Ethiopia)
- National health institutions - assisted by WHO - to conduct case findings and contact tracing, testing and treatment, and quarantine activities.
- A toll-free number 449 has been set up for the public to seek advice and report suspected cases of COVID-19 across the country.
- Banned re-export of medical equipment and personal protective equipment (PPE) due to domestic shortages.

Preventive Measures in Place

• On 27th August 2020, the Zimbabwe Prison Correctional Services (ZCPS) rolled out COVID-19 provincial awareness campaign in Masvingo province.

• On 26th August 2020, the Zimbabwe United Passenger Company (ZUPCO) rolled out a solar-powered self-sanitization booth at one of the terminuses in the Harare Central Business District (CBD).

• On 26th August 2020, the Zimbabwe National Statistics Agency (ZimStat) begun the door-to-door enumeration exercise as it prepares for a COVID-19 Epidemiological Prevalence Survey to be conducted in September 2020.

• Rolled out COVID-19 provincial awareness campaign in Masvingo Province.

• On 25th August 2020, the Government extended from 3 months to 6 months unpaid sick leave for COVID-19 positive civil servants.

• On 24th August 2020, in order to enhance testing capacity at Beitbridge border point, laboratory personnel at Beitbridge district hospital were trained on the Abbott Platform which is capable of testing 94 COVID-19 samples at one go.

• On 18th August 2020, the Government reviewed the lockdown measures as follows:
  • Immigrants who have tested negative for COVID-19 no longer to be detained upon arrival in the country;
  • Business hours extended from the initial 8 am – 3 pm to 8 am – 4.30 pm;
  • Curfew revised from 8 pm – 6 am instead of the previous 6 pm – 6am;
  • Public transport drivers to undergo regular PCR tests
  • Public transport buses to be allowed dedicated lane at roadblocks to expedite their passage.

• On 18th August 2020, the President launched a virtual Cabinet meeting systems to be used for Cabinet business and to be conducted at three different venues as follows:
  • The State House Tent
  • The Cabinet Room
  • The Munhumutapa Boardroom.
Preventive Measures in Place

- On 3rd September 2020, the Government announced the full resumption of all tourism activities. Activities that have been allowed to resume include all boat operations, game drives, bungee jumping, zip lines, helicopter rides, lion walks, elephant rides and all registered tourism activities. However, restrictions on inter-city and inter-provincial travel to be maintained.
- Government announced on 1st September 2020 the reopening of primary and secondary schools from 14th September 2020 for students taking final exams.
- Zimbabwe among seven other countries that include Liberia, Cameroon, Sierra Leone, Nigeria, Morocco, and Zambia that will start administering coronavirus antibody tests beginning from the week of 24th August 2020 in the hope that this will help in reopening the economy.
- On 7th August 2020 the Public Service Commission directed Government departments to reduce essential service staff by 15% of the current members coming to work, provide tools of trade so that people work from home, fumigate offices every two weeks, reduce the number of people who use public transport to curb the increase in COVID-19 cases.
- On 10th August 2020, Zimbabwe Prisons and Correctional Services adopted measures to contain the spread of COVID-19, including educating inmates on the pandemic and cultivating a culture of adherence to various health regulations.
- Suspension of gatherings of more than 50 people including suspension of prayers at churches and mosques
- Designation of journalists as an essential service (SI 93 of 2020)
- Reduction of employee attendance at government and private workplaces (except for critical staff).
- Gazette Public Health (Covid-19 Prevention, Containment and Treatment) Regulations 2020 on 23rd March 2020 to allow for compulsory testing.
- To ease the situation in quarantine and isolation facilities, the Government adopted new World Health Organisation (WHO) guidelines that allow asymptomatic and symptomatic COVID-19 patients to be discharged after 10 days and 13 days, respectively.
- Mass testing intensified.
- Use of schools by churches banned as from 8th July 2020 to reduce the risk of infections when schools reopen.

Trade Facilitation / Business Support

- On 27th August 2020 the Zimbabwe Revenue Authority (ZIMRA) reviewed its commercial cargo clearance system to enhance regional and international trade. The following has been done to improve the turnaround of bills of entry and eliminate unnecessary direct contact between ZIMRA officials and clients:
  1. Pre-clearance systems where goods are declared and processed before reaching the port of entry.
  2. Computerised the process of release orders which allows commercial trucks to leave or enter the country via various ports of entry.
  3. From 17 August 2020, clearing agents granted access rights to release and print release orders after their entries have been assessed by ZIMRA in the ASYCUDA World (Automated System for Customs Data).
  4. Checking of clearing documents to be verified online by ZIMRA so no need for clearing agents to submit printed bills of entry and attachment to ZIMRA offices for physical authorisation.
  5. Clearing agents will only need to bring the release order and relevant documents for trucks to be released.
• On 25th August 2020 the Government handed an assortment of machines to Small to Medium Enterprises (SMEs). This is an initiative under the ZWL$500 million COVID-19 stimulus fund. The ZWL $500 million (6,613,039 USD) is part of the ZWL$18 billion (238,069,415 USD) COVID-19 economic recovery stimulus package announced by President Emmerson Mnangagwa in May 2020.

• On 24th August 2020, the Reserve Bank of Zimbabwe extended the bank capitalization deadline for an additional year from 31st December 2020 to 31st December 2021 to allow local financial institutions to meet the minimum capital requirements.

On 6th August 2020, President Emmerson Mnangagwa officially launched the National Tourism Recovery and Growth Strategy which is expected to guide the resurgence of the sector which was hard-hit by the Covid-19 pandemic. The launch of the strategy also saw the official reopening of the Victoria Falls Rainforest which was closed earlier this year as part of measures to contain spread of coronavirus.

6. Only registered SMES allowed to operate under WHO conditions
7. Food markets remain open
8. Reduction of main lending rate from 25% to 15% by Reserve Bank of Zimbabwe effective 1 May 2020
9. Arrangements made in July 2020 for cross border traders to buy goods from Beitbridge as opposed to going inland
