Benin is part of both the Economic Community of West African States (ECOWAS) and The Community of Sahel-Saharan States (CEN-SAD).

All 15 ECOWAS countries are part of the ECOWAS Free Trade Area and all, but Cape Verde, are in the process of implementing the ECOWAS Common External Tariff (CET). In 2017 Mauritania and ECOWAS signed an Association Agreement for the re-admission of Mauritania to the REC by 2019; Morocco’s application to join ECOWAS has been granted ‘in principle’, but is awaiting final approval and Tunisia has recently obtained ECOWAS observer status.

CEN-SAD currently has 24 member states aspiring to the establishment of an Economic Union which includes the free movement of goods. Although CEN-SAD was revived in 2013 with a revision of the CEN-SAD Treaty there is still no progress and free trade agreement in place.
